SECOND PANEL SPEAKER BIOS

Lynn Johannson, BES (Hons.), M.Sc., FRSA
President, E2 Management Corporation (E2M)
Catalyst for The Collaboration and “Are You Climate Ready?”

In a career spanning over 30 years, Lynn has earned respect for her work negotiating international standards for environmental management systems and green finance. She is currently working with innovators to gamify learning about the synergy and interdependency between environmental, social, and financial capitals – making a systems approach both practical and fun. Her reputation as an author, educator, collaborator, mediator, systems thinker, innovator, and catalyst for change is recognized in the private and public sectors and on five continents.
